Effective if and when the work is accepted for publication. This copyright applies to the extent transferable for U.S. Government employees, see item B, below.

However, the author(s) reserve the following:

1. All proprietary rights other than copyright, such as patent rights.
2. The rights to use all or part of this work (with appropriate reference to the journal and article) in future works of their own, such as lectures, press releases, reviews, textbooks, or reprint books.
3. The right to place the final version of this article (exactly as published in the journal) on their own homepage or in a public digital repository, provided there is a link to the official journal site.
4. The right to provide a copy of the final peer-reviewed manuscript to the NIH upon acceptance for publication, for public archiving in PubMed Central as soon as possible but no later than 12 months after publication.

A. All authors must sign this form. In the case of a "work made for hire," a representative of the employer may send an equivalent form. This form may be duplicated for signing by co-authors.
