## Treasurer's Report: Fiscal Year 2013

## Introduction

This report details membership and subscription data for calendar year end 2013. In 2013, the fiscal year end of the IMS was moved from June 30 to December 3 I; therefore a separate financial and audit report will be published in the Fall after the external audit of the IMS is completed.

In 2013, the total number of IMS members decreased in paid members and in total members. Subscriptions by institutions also decreased this past year. The financial status of the Institute continues to be stable, and actions have been taken to ensure its longterm stability. Details of the events of the past year, membership and subscription data, and sales data are given below.

## Publications

The following is a list of all current IMS core, co-sponsored, affiliated and supported journals:

IMS Core Print/Electronic Publications Annals of Applied Probability; Annals of Probability; Annals of Statistics; Annals of Applied Statistics; Statistical Science; Current Index to Statistics; IMS Collections; IMS

Monographs; IMS Textbooks; IMS Bulletin Co-Sponsored Print/Electronic Publications Electronic Communications in Probability; Electronic Journal of Probability; Electronic Journal of Statistics; Journal of Computational and Graphical Statistics; NSF-CBMS Series in Probability and Statistics; Probability Surveys; Statistics Surveys
Supported Publications
Annales de l'Institut Henri Poincaré; Bayesian Analysis; Bernoulli; Bernoulli News; Brazilian
Journal of Probability and Statistics; Stochastic Systems

## Affiliated Publications

ALEA: Latin American Journal of Probability and Mathematical Statistics; Probability and Mathematical Statistics

## Membership Data

Total individual paid membership in the Institute as of December 31, 2013 decreased 2.9\% from December 31, 2012. Table I (below) presents the membership data back to 2006.

As can be seen, the membership reached a high of 3,156 in 2008 and has been decreasing since then. This trend is similar to that of other professional societies. Nevertheless, this is an area of concern, and the IMS Executive Committee is looking into this issue.

Geographic Distribution of Members: The IMS membership is currently distributed as follows: $62 \%$ United States; 18\% Europe; i i\% Asia; 4\% Canada; 3\% Australia and New Zealand; >2\% South America, Mexico and the Caribbean; > $\mathrm{I} \%$ Africa

Selection of Journals by Members: Print subscriptions by members continued to decrease sharply in 2013 , as expected, because members are opting to reduce their use of print while enjoying free electronic access to all journals. Members are charged actual cost for print copies of journals, so there is no net loss or gain to the bottom line from changes in print subscriptions by members. Table 2 (opposite) shows the current selection of journals by members.

The IMS offers joint membership opportunities with the following societies:

- Bernoulli Society (BS);
- International Statistical Institute/Bernoulli Society (ISI/BS);
- International Society for Bayesian Analysis (ISBA);
- Applied Probability Society/INFORMS (APS/INFORMS);
- Sociedad Latino Americana de Probabilidad y Estadistica Matematica (SLAPEM).

## Institutional Subscription Data

Table 3 (opposite) presents comparative subscription data for institutions to each of our scientific journals for 2013 and previous years. All journals experienced subscription decreases in 2013 . Overall institutional subscriptions decreased by $5.3 \%$. We are seeing increases in our bundled offerings which are discounted on the whole.

Approximately $60 \%$ of the non-member subscribers to IMS journals are in USA and Canada, with the remaining subscribers distributed throughout the world.

## Book Sales Data

Tables 4 and 5 (opposite) present sales data for all the IMS book series. In 2010 the IMS published its first volumes in a cooperative arrangement with Cambridge University Press

TABLE 2: Member** Subscriptions, by Calendar Year

| PRINT (paid) | 2006 | 2007 | 2008 | 2009 | 2010 | 2011 | 2012 | 2013 | \% change |
| :--- | ---: | ---: | ---: | ---: | ---: | ---: | ---: | ---: | ---: |
| AAP | 619 | 497 | 428 | 382 | 280 | 197 | 126 | 84 | $-33.3 \%$ |
| AOP | 616 | 534 | 481 | 416 | 298 | 218 | 184 | 99 | $-46.2 \%$ |
| AOAS | $n / a$ | $n / a$ | 1,160 | 1,089 | 714 | 480 | 379 | 232 | $-38.8 \%$ |
| AOS | 1,723 | 1,608 | 1,323 | 1,109 | 763 | 555 | 447 | 265 | $-40.7 \%$ |
| STS | 2,412 | 2,146 | 1,880 | 1,680 | 1,310 | 1,035 | 869 | 532 | $-38.8 \%$ |
| Total | 5,370 | 4,785 | 5,272 | 4,676 | 3,365 | 2,485 | 2,005 | 1,212 | $-39.6 \%$ |

** Previously this information was reported as all members (including organizational), however data has been reformatted to show individual members only, to reflect the change in classification and to better view the current status of the data.

| TABLE 3: Institutional Paid Subscriptions, by Calendar Year |  |  |  |  |  |  |  |  |  |

| s |  |  |  |  |  |  |  |  |  |

${ }^{\boldsymbol{s}}$ denotes IMS-supported journals. Numbers in [brackets] are prior to journal becoming IMS-supported.
to publish two series, IMS Monographs and IMS Textbooks. Sales of these volumes are going very well. The CBMS-NSF Regional Conference Series published one new volume in 2013. The IMS Collections series has seen very low sales; the series has been formulated in order for the IMS to have minimal loss on these volumes. The Lecture Notes-Monograph Series ceased publication in 2009.

## Financial and Audit Report

The fiscal year ended December 31, 2013. The external audit of the IMS will be completed in July 2014. The full audit report along with a short analysis will appear in the IMS Bulletin in the Fall.

## Conclusion

The IMS Executive Committee and the IMS Council have reviewed all data in this report. A long term financial plan is already in place and the IMS continues to be strong and stable financially. Decreases in institutional subscriptions are being addressed by partnering with Project Euclid to extend cooperative agreements with library consortia and by monitoring our subscription pricing carefully to ensure both long term viability and access.

Jean Opsomer, Treasurer

TABLE 4: Total sales from the NSF-CBMS Regional Conference Series, the Lecture Notes-Monograph Series, and IMS Collections [Fiscal Year Data (July 1-June 30)]

|  | to 2006 | 2007 | $\mathbf{2 0 0 8}$ | $\mathbf{2 0 0 9}$ | $\mathbf{2 0 1 0}$ | $\mathbf{2 0 1 1}$ | $\mathbf{2 0 1 2}$ | $\mathbf{2 0 1 3}$ | TOTAL |
